

“Parent Speak” for Children with Autism:
Tapping into Your Child’s Communication Needs

Four week program at OTA-Watertown

Sensory Integration and Autism

Wednesday, September 14

Strategies to Support Executive Function

Wednesday, September 21

Play Skills in the Lives of Children with Autism

Wednesday, October 5

Enhancing Social Skills in Children with Autism

Wednesday, October 19

Presented by Elizabeth Deutsch, MS, CC-SLP

This 4-week language-based educational program will support parents and paraprofessionals in working with children with Autism Spectrum Disorders between 3-6 years. Topics to be discussed at length include social skills, play skills, sensory integration as it relates to language development, and executive functioning. Successful strategies used to support language and communication at varying levels will be presented. Parents will create a make and take project to support their child’s current level of development as related to the topics to be discussed. As part of each workshop, parents will be given a binder containing key articles and materials to bring home.

This program is appropriate for parents, teachers, and paraprofessionals.

Each session is presented at OTA-Watertown from 7:00pm – 8:30pm and earns 1.5 contact hours. Total contact hour credit for attendance at the entire workshop is 6 hours.

Early Bird Registration until August 14, 2011: \$180.00 – Individual; \$225.00 – Parent couple

Registration after August 14, 2011: Single lecture - \$60.00, Full workshop - per individual - \$200.00 (\$50.00/lecture), per parent couple - \$250.00.

Group rates for paraprofessionals:

Please contact Teresa May-Benson at tmaybenson@thespiralfoundation.org or 617-923-4410 ext 110.
